Bob Johnston Reports For Backstop Job

Ray Koll pitching, and Bob Johnston catching. That's the Crescent City battery for Sunday's game with the Medford Rogues in the Oregon city.

Johnston returned to town this week and will handle the catching duties for the rest of the season, according to present plans. With Johnston back on the job, Bob Fern will be switched to third base, otherwise, no changes will be made in the team.

The Merchants are perched on top of the Southern Oregon league second-half scramble holding a full game lead over the second place Grants Pass team.

Crescent City has defeated the Rogues twice this season, and shouldn't have too much trouble with them this week.

Everyone in Del Norte county should attend this meeting to gain first hand information on the bill, as it will greatly affect the economic life of the county if passed and the money distributed to the Indians here.

The Veterans of Foreign Wars, assisting the local Indian Welfare Association, are sponsoring the speaker here and invite all to attend the meeting. Admission is free.
